

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE KENTUCKY PUBLIC SERVICE COMMISSION	)	
	)	
v.	)	CASE NO. 8779
LESLIE COUNTY TELEPHONE COMPANY	)	

SHOW CAUSE ORDER

In Case No. 7994, Elimination of Held Orders for Service, and Case No. 8190, Authority to Issue Notes, the Commission ordered Leslie County Telephone Company ("Leslie County") to provide present and future applicants for service with a reasonable date by which they can expect telephone service, and further to provide service by such dates. After continued requests by the Commission, Leslie County has provided dates by which they may expect service to some applicants, but it continues to be reluctant to provide such dates to other applicants.

The Commission has pending 23 requests from applicants for telephone service from Leslie County, and only 2 of these applicants have been provided dates by which they may expect service. As can be seen from Appendix A, the remaining 21 applicants for service have not received a date by which they can expect service.

After considering the evidence and being advised, the Commission is of the opinion and finds that Leslie County has not complied with its Orders in Case Nos. 7994 and 8190.

IT IS THEREFORE ORDERED that Leslie County shall appear at the offices of the Commission in Frankfort, Kentucky, on April 7, 1983, at 10:00 a.m., Eastern Standard Time, and show cause, if any it can, why it should not be subject to the penalties prescribed under KRS 278.990 for failure to comply with the Commission's regulations and Orders.

Done at Frankfort, Kentucky, this 16th day of March, 1983.
